

BAKAS HORSES FOR HANDICAPPED, INC CHARITY HORSE SHOW

ADVERTISING SPONSORSHIP OPPORTUNITY

We are offering the opportunity for your business to boost your advertising power while supporting our local nonprofit charity that benefits children and adults with physical and developmental delay disabilities thru equine therapy. This program is amazing, promoting improvement in balance, strength, endurance, confidence, relationship skills, and many other things for the wellbeing of its riders.

This charity horse show is a fundraising event. We are in need of monetary donations to cover cost of ribbons, high point winner prizes, cost of judges, food, etc. As well as donations for any of these items are greatly welcomed. We have many sponsorship opportunities from as low as **\$50-\$3000**. All of which include us putting your banner of 3x8 or less in our arena during all 3 shows. Plus additional opportunities the higher the sponsored amount is. Our show is a series of 3 shows, Oct, Nov, and January.

We are a small nonprofit, that is all the more reason we need you. All proceeds will benefit Bakas Horses for Handicapped, Inc. This is a tax deductible contribution. Please request documentation if needed.
