

Bakas Horses for Handicapped

11510 Whisper Lake Trail, Tampa, FL 33626 | Bakashorsesforhandicapped@gmail.com

On behalf of Bakas Horses for Handicapped we would like to thank you for considering being a participant in benefitting our amazing equine therapy program for children and adults with physical and developmental delay disabilities. We are a nonprofit 501 c 3 charitable organization. Our EIN: 59-2848496. Sponsorships, whether private or commercial, begin at \$50 and up. We would be happy to hang your business banner in the arena on all show dates, mention you on our Facebook page, Mention on our webpage, as well as at our show events. Please send your sponsorships/donations to Bakas Horses for Handicapped, Attn: Tamara Randall 11510 Whisper Lake Trail, Tampa, FL 33626. Please be sure to note that this is for our Charity Horse Show Series.

We are in need of people like you to help our local charity. We are revamping some of our charity events to bring in more support. We hold many events throughout the year both for our disabled riders and in our community. We are currently planning a Charity Open Pleasure Horse Show Series October 6, November 3 and January 12th at Lake Park in Tampa, FL. All proceeds from our show will be donated directly to Bakas Equine therapy program.

These events will generate funds to acquire equipment/supplies for riders, horses, and lessons, scholarships to riders who may need support, veterinary and farrier costs for horses, continuing education for our PATH certified instructors, costs to assist with horse shows such as Special Olympics and Challenge Shows, and social events for our riders and their families.

It is our belief that it is important to help our riders achieve their greatest potential by providing therapeutic horseback riding opportunities for the disabled children and adults. Bakas riding program assists riders with increasing their abilities, self-esteem and camaraderie through participation of lessons and events. Our program is a valuable resource to those with special needs and it creates a much needed opportunity for our riders to achieve success in already challenging positions.

Thank you for your donation or sponsorship. Your support will help assure the success of our highly successful program for the disabled. Please feel free to contact us with any questions you may have.

Sincerely,

Tamara Randall
